Manufacturing & B2B supply.

We manufacture and supply food-use N₂O for importers, distributors and foodservice businesses. Our own factory produces Crown Gas, EAVINWHIP and SPACEWHIP products. We also supply MIST WHIP.

CREAM DISPENSERS & REGULATORS

250ml / 500ml dispensers and pressure regulators are also featured in the Crown Gas, EAVINWHIP and SPACEWHIP ranges. Ask for brand-specific models and connection details.

Regional warehouse supply

Selected products through our Germany, US and Australia warehouse routes. Brand, SKU and stock availability vary by location.

Germany / Crown Gas

US / EAVINWHIP

Australia / MIST WHIP

FDA FACILITY FILING

CROWN WHIP INC food-facility submission printout available for review.

Supplied 2025 copy: UFI confirmation pending. Recheck status; not product approval.

Single-brand container orders

A dedicated container can be arranged for your chosen brand and format, subject to order terms and destination requirements.

Your importer handles customs clearance. We confirm the product, documents and shipment plan before the order.

Discuss your order with Tommy.
